### ROME

**WHY GO** Rich with culture, five-star hotels, designer boutiques, spas and Michelin-rated restaurants, the Eternal City stays true to the ancient Romans' fame for enjoying the finer things.

**WHERE TO STAY** On Via Veneto, and only a stone's throw from the Pantheon, Regina Hotel Baglioni is the perfect launching point to explore Rome. With exceptional staff and upscale art deco-style rooms, this hotel knows what luxury is all about (from \$310, BaglioniHotels.com).
